Blaze conference is March 12-13th in Seattle, Washington. The first and most crucial need is a prayer team for the weekend. We will need at least 10 chaperones and one all purpose go getter. We have 80 tickets and intend to use them all. The approximate cost for the conference will be 11, 500. Please consider if God would want you to participate. God has done great things through this conference and we know He will again this year.
